School Dress Code

LAKES ENTRANCE PRIMARY SCHOOL

The Lakes Entrance Primary School Council has established a Dress Code for all students. Council expects that this code applies during school hours, whilst travelling to and from school and when participating in out-of-school activities, except, where parents are advised by staff.

PURPOSE:

It is our belief that wearing a school uniform is a positive means of promoting a sense of individual and collective pride in the students and their identification with the school. A dress code helps to promote a sense of security and enhances the safety of individuals and groups of students both within the school grounds and outside.

SCHOOL UNIFORM:

DAILY UNIFORM:
(as per uniform order form) and in the Information Booklet.
School Uniform is compulsory for all students each day. Sometimes out of uniform days are granted as special fundraising days approved by School Council. A copy of the Dress Code is available on request. We believe wearing a uniform develops a sense of belonging and pride in our school and we urge parents to support us by ensuring their children wear their uniform each day.

SCHOOL UNIFORM LIST

The overall uniform is white tops and black shorts, long pants or skorts.

The basic uniform includes:
- Plain Black long pants (e.g. tracksuits, Gabardine pants)

Where students are not wearing appropriate footwear for school activities, the teachers have the right to refuse participation of students in those activities.

**HATS: Bottle Green broad brimmed.**
It is school policy for hats to be worn whenever the students are outside during Terms 1 & 4. Hats must be broad brimmed or legionnaire style. Failure to comply will result in the child being sent to a shady area until a suitable hat can be worn.

**SPORTS UNIFORM:**
White Polo Shirt and black shorts. (To be worn when representing the school at sporting events.)

**DISCRIMINATION:**
This dress code does not discriminate directly or indirectly, against students on the basis of their sex, race, ethnic group, nationality, religious beliefs, marital status, colour or disability.

**EXEMPTIONS:**
Grounds for exemptions will be provided where:
• an aspect of the code offends a religious belief held by the student and / or parents
• an aspect of the code prevents the student from complying with a requirement of his or her ethnic or cultural background
• an aspect of the code prevents students with disabilities from being able to attend school or participate in school activities on the same terms as other students
• the student has a particular health condition that requires an aspect of the code to be departed from
• the student or the parents can demonstrate particular hardships that prevents them from complying with the code.

Applications for exemption need to be made to the Principal and will be addressed accordingly. The operational tasks of granting exemption on the basis of the grounds stated in the dress code and the administrative decisions associated with its enforcement belong to the management role of the Principal.

The wearing of unacceptable clothing will be noted and a letter sent to parents stating such. Further infringements of dress code may result in temporary replacement clothing being provided for school.

Uniforms for Lakes Entrance Primary School may be purchased through the school for a very reasonable price or purchased elsewhere. The school is the sole supplier of uniforms and bags with the official Lakes Entrance Primary School logo. Second hand items are sold through the uniform shop.

**Evaluation:**
This policy will be reviewed as part of the school’s three year review cycle
